SPREADING THE GOOD NEWS THROUGHOUT THE WORLD

We need YOU!

Programme/Drama Writers

for Radio Drama for plays up to one hour, and other radio formats

We urgently require those willing to produce the quality scripts that radio demands. Previous experience in writing for radio is ideal, but not necessary. Enthusiasm and time is required, though! Our dramas are often series based on Bible stories, with each programme being 15 minutes in length (about 2500 words). But it's not just that; Commission is keen to record other creative formats, such as contemporary stories and plays, and longer feature programmes which bring the Christian faith in touch with a wider audience. A short story can provide the basis for an excellent radio programme!

Audio Engineers

for Drama Crews and other programmes

You'll be working with our producers and voices to create and balance high quality radio sound both for "on line" and "on air". We have high quality equipment, and provide full 'on-the-job' training. If you like working with digital and analogue sound, buttons, knobs and gadgets, this is the one for you!

Drama Voices

out-of-vision actors taking challenging character roles in radio drama productions

Previous drama experience is useful, though not necessary. You will be expected to take part in a Voice Test, but don't panic... this is just to give us an idea of what characters would best suit you and establish your previous experience.

Admin. and Support

which if you have the time, we have the post for you!
